History :

I have been racing since 1997 ,I quickly realized that this sport was going to be a huge part of my life. Desert racing especially the long Distance Desert races have been a Highlight . In 2000 I committed to racing with a local Arizona Desert series “Whiplash desert racing series” in the Open intermediate points championship ended up taking 2nd place overall. I made my way up the classes to the Open Expert class and won the season points championship. Then Moved to Pro Bike 30+

In 2005/2006 I raced the prestigious SCORE Baja 500 on a Pro 30+ Bike team. Placing 8th out of 16 in class up against factory backed machines , many local trophy dashes and Baja 500 2006

2007 I took my handle bar skills to the steering wheel class in Baja and raced a class 12 Score-lite buggy , due to a fatality on the course we did not finish in the allowed time limit , however we completed the race course for pride, while continuing to race the 30+ pro Dirt bike class in the Whiplash desert racing series and I finished 2nd pro over 30, year end points championship.

2010 I currently have been racing with the “Big Bang Entertainment” Expert ATV team ,competing in the 2010 “Best In the desert” off road series and are currently in 2nd place by a few points for the season championship going in to the last race and coming off a spectacular 1st place ATV Expert finish and an Outstanding 4th Over-all ATV finish in the longest race in the United States, the world famous “BITD Vegas to Reno”
